

<b>Leathers</b>	
Leather. Chemical tests. Determination of chromium(VI) content	ISO 17075
Leather. Physical and mechanical tests. Determination of thickness	ISO 2589
Leather. Physical and mechanical tests. Determination of tensile strength and percentage extension	ISO 3376
Leather. Physical and mechanical tests. Determination of tear load. Part 1: Single edge tear	ISO 3377-1
Leather. Physical and mechanical tests. Determination of tear load. Part 2: Double edge tear	ISO 3377-2
Leather. Physical and mechanical tests. Determination of flex resistance by flexometer method	ISO 5402
Leather. Chemical tests. Determination of pH	ISO 4045
Test methods of leathers. Determination of water vapour transmission	MSZ 871-15:1984 (withdrawn)
